Dear Engr. Gamal,

I wanted to write and thank you for the good job you did to us in the installation of the Hyfire Wireless Fire Alarm System in our School. It has been nearly 3 years using your system and did not experience any problem since your company handled the installations and maintenance. Your company showed a lot of flexibility in working with our staff that enable us to complete our job with minimal disruption to the school operations and the students. Hyfire Wireless Fire Alarm System is exceptional!

I want to commend you and your team for an excellent system and for the delivery of your service on time and always available. I wish your company can serve more people to make their daily lives easy.

We hope to have a business with you again in the future.

Sincerely,
